New Jersey Law Journal Continues Recognition of Wendell O. Scott, MD, LLC – Hall of Fame 2022

New Providence, NJ (December 15, 2022): The New Jersey Law Journal recently unveiled its Hall of Fame members for 2022, which included Wendell O. Scott, MD, LLC. This is the second consecutive year WOSMD has been included. WOSMD is a multi-specialty medical expert solutions firm providing services for both plaintiffs and defendants in legal matters in the tri-state area: NJ, NY, PA, and in other states.

According to the New Jersey Law Journal, companies being recognized in the Hall of Fame have placed in their annual survey's top three rankings for at least three of the last four years.

"We are honored to again be among this select group of Hall of Fame members," stated Wendell O. Scott, MD, Founder, CEO, WOSMD. "It's a trusted testimonial to the strength of our team and the services we provide."

About WOSMD

Wendell O. Scott, M.D., LLC (WOSMD), is a multi-specialty medical expert solutions firm working with attorneys in New Jersey, New York and Pennsylvania, and in other states. WOSMD is known for our ability to handle complex cases and provide objective opinions, strategic direction, and the resources needed to present cases. Our Board-Certified physicians and healthcare experts span 50+ specialty areas and provide objective opinions in medical legal matters for both plaintiffs and defendants. For more information or to request an expert, please visit www.wosmd.com or call (908) 830.9980.
